CHESTER STUDENTS

A new student accommodation scheme in Chester is making the most of its picturesque canalside location thanks to an attractive glazing package from Senior Architectural Systems.

Taking inspiration from its location next to Chester's famous Shropshire Union Canal, The Towpath development offers modern student accommodation facilities across two four-storey and one three-storey blocks.

Installed by Kingfisher Windows Ltd for main contractor Watkins Jones, Senior's aluminium curtain walling, windows and doors were specified for use on all three buildings of the new development.

GLASSOLUTIONS WINS

GLASSOLUTIONS has won the 'Customer Care' category of the G17 awards for its commitment to quality customer care with the further development of its innovative and user-friendly e-commerce app.

Arguably the only app of its kind in the UK supporting a national glass supply service, it has been successful in putting control in the hands of customers, allowing them to configure and order glass 'on the go', build a quote in their own time and choose the option of delivery to site, without the need to call into a GLASSOLUTIONS branch for any aspect of their order. The app has successfully helped customers work smarter, solve problems, and add real value to their own customers.
