<https://www.profile22.co.uk/>

## CLEARVIEW GLAZIERS ARE AHEAD OF THE GAME WITH STELLAR

In June, Clearview Glaziers were one of the first fabricators to manufacture Stellar, the brand new aluminium window and door system from Epwin Window Systems. Four months on, Robin Squibb of Clearview Glaziers is delighted with the results and reports: "We have found the Stellar window and door system a breath of fresh air to fabricate. It seems like aluminium windows should have always been this way. No horrible adapters everywhere just clean, neat lines. It really is straightforward to manufacture. We are delighted."
